The deceased was 28 years old, and was a deservedly popular young man.

John Rice, arrested by Officer Roberts charged with vagrancy, was dismissed.

John Fones, arrested by Officer Gill charged with assaulting Lee Crane, was dismissed.

**The Market.**—There was a fair attendance of buyers and sellers in market this morning. The supply of country produce was about as large as that of last Saturday. Prices had undergone no material change. The receipts of fresh pork had increased. Truckers were still complaining of the lack of rain.

**Installation of a Pastor.**—Rev. John J. May, of Brooklyn, N. Y., will be installed as pastor of Emmanuel Lutheran Church in this city at 7:30 o'clock tomorrow night. The installation sermon will be preached by Rev. H. Schroeder, of Washington.

**Rewards for Faithful Services.**—As a reward for many years of faithful service the oldest employees of the Weems Steamboat Company will receive \$25,000 of the \$1,000,000 paid for the company's property by the new syndicate of Northern capitalists last Monday. This money has been turned over to Mr. Henry Williams, president of the Weems Company, to be distributed as he deems best.

Among those who will receive a goodly part of the money are Capt. James Gourley and Mr. Henry S. Beale, who are the oldest employees of the company in point of service. Captain Gourley is commander of the steamer St. Mary's and the senior captain of the Weems fleet. He has been with the company for more than half a century, longer than any other man in its employ. Mr. Beale has been with the company for more than 38 years, and is at present general manager. The names of several others who will be beneficiaries of the fund were mentioned by Mr. Williams. Capt. D. N. Davis, commander of the steamer Westmoreland, was a soldier in the Confederate army and entered the employ of the company shortly after the civil war. Capt. James Burroughs, of the steamship Lancaster, has been in the service for about 30 years. Among the oldest purveyors are Mr. John Dare, of the steamer Middlesex, and Mr. Thomas Gourley. Both have been with the company for more than 35 years. Mr. Thos. A. McLean is perhaps the oldest engineer as regards length of service, having been with the Weems Company for over 30 years. He is at present on the steamer Lancaster. There are many others who have been in the employ of the Weems Company for 15, 20 and 25 years, and these, too, will be compensated by generous slices from the \$25,000 lump.

**Personal.**—Mr. J. Sedden Taliaferro, who has many friends and relatives in this city, where he once lived, is the democratic candidate for Congress in Wyoming. His nomination was by acclamation, and he accepted it upon the urgent request of the democratic candidate for governor of that State.

Mrs. John Callahan continues ill at her home on Duke street.

Mr. M. Schuler has returned from a visit to St. Louis, Chicago and New York.

Rev. J. A. Wray, pastor of the First Baptist Church in this city, has been conducting a great evangelistic service in Richmond this week. Mr. Wray will return this evening and preach at both services in the Baptist Church tomorrow.

**Jumped from a Buggy.**—On Thursday evening while Mr. and Mrs. Sidney Hamersley were returning from this city to their home near the Theological Seminary the horse attached to the buggy in which they were seated became frightened at the approach of an automobile belonging to the neighborhood. Mrs. Hamersley, fearing she would be injured jumped from the vehicle and was seriously hurt. She was picked up in an unconscious condition, placed in the automobile and taken to her home where she was attended by Dr. Slaughter. Mr. and Mrs. Hamersley were on their way home from the funeral of the late James P. Hamersley when the accident occurred.

**Dramatic Recital.**—The dramatic recital of plantation songs and stories by Mrs. Martha S. Gielow at the Opera House Monday night will prove interesting and amusing. A contemporary in speaking of Mrs. Gielow's lecture in a neighboring State says: "A large and appreciative audience was present and everybody was quite captivated by the delightful programme. Mrs. Gielow has brought her art to a point near perfection, and easily excels any woman entertainer who has appeared here in many seasons. Whether impersonating the old black mammy of the South or the long-tongued New England gossip she is thoroughly charming."

**Last Performance Tonight.**—Conroy & Mack will close their week's engagement at the Opera House tonight, the attraction being "The Two Orphans." The show last night was very good, the prizes being won by Messrs. Henry Harris and Gus Robinson. This has been an excellent week for the popular comedians, crowded houses having greeted them nightly.

**Confession of a Priest.**—Rev. Jno. S. Cox, of Wake, Ark., writes: "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began to use Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years. If you want a relief medicine for Liver and Kidney trouble, stomach disorder or general debility, get Electric Bitters. It is guaranteed by Dr. S. Leadbeater & Sons. Only 50c."

**Better Than Pills.**—The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by Gibson & Timberman and W. F. Creighton & Co.
